

A FUN APP FOR KIDS!

The WuCream Team is in the process of developing an app that allows kids to place orders with ice cream truck vendors who may be out/about selling various cooled treats. The app has various customizable features such as: an allowance option for parents, WuCoin gift cards, scheduled WuBeacons for calendared events, and much, much more!

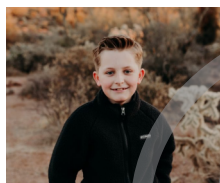

JOIN THE WUCREAM TEAM &
BECOME PART OF THE EXCITEMENT!

Made by kids, for kids

Stop the scream for ice cream with the
WuCream Truck team!
